December, 2019

STORY OF THE MONTH

Merry Christmas!

American Supply wishes you a Merry Christmas! With the weather getting colder and the holidays rapidly approaching, it's time to relax and enjoy the party season!

Our in-house creative team used some of our materials to create a two-tone candy cane inspired snowflake on a background of crushed formable ice-cold aluminium - what better way to warm up the house in the holiday season!

The snowflake was made using hand-cut polycarbonate Lenticulaire PC Red, and the background is our 100% aluminium Luminium.

Please note our showroom will be closed from December 25th until 2nd January.

Featured Materials

LENTICULAIRE PC RED

Process family: Relief/3D Effect
Composition: Polycarbonate
Format: Roll
Size: 64 cm width
Thickness: 0,40 mm
Color: Red
